

# STANDARD BRED SALE CO. BATTLE OF THE BIG GUNS 2016

The new Series kicked off at Appleby on Monday 30th May where Stoneriggs Mystery went all out to prove that he will start as he means to go on in 2016 as he has every other season. He was followed closely home by Ayr Majesty and Meadowbranch Josh.

At Wolverhampton six of the entries lined up this time without 'Mystery'. The surface here usually throws up some surprises. Fool Around steered by James Haythornthwaite, just stole the show from stable mate Saunders Mach 3 driven by Rhys Evans. Stamp Hill was close in third for William 'Rocker' Laidler.

The next leg is at Amman Valley in South Wales on Sunday 24th July. Could any of the these battling to be the Big Gun of 2016 better the World Record of Doonbeg and stop the clock in faster than 1.53.7?
