

## BHRC CANDIDATES FOR DIRECTOR AGM MARCH 5th 2023

Candidate	Profile	Proposer
Charles Inglis Jnr	<p>I offer myself for re-election as a Director of the BHRC. When I joined the Directors, my aim was to be as hands on as I possible could be. I have been an integral part of the Office Support Team which helped to keep racing going last year as well as being an active member of the Stewarding Group attending as many meetings as I could up and down the country.</p> <p>I have enjoyed meeting lots of new licence holders, and helping them to resolve any issues they were having linked to harness racing. I have thoroughly enjoyed my year and hope to be re-elected to carry on my role.</p>	Julie Park
Jason Podmore	<p>I have served on the BHRC board as a Director for a number of years now, so most of you will know me. It's a very difficult and challenging position to hold and fill, but it can also be rewarding and worthwhile. During my time as a Director, I have seen and supported many topics including recently the start of overhauling the rule book, the introduction of the drone and retrospective stewarding and ensuring the club has adequate insurance in place for the licence holders but the best project I have advocated and supported is the Kids Pony Series and young drivers series.</p> <p>If members vote for me to stay for another term, this is one issue which i will be passionate about rekindling. I firmly believe that the sport needs to be guided back to grassroots. We need to encourage the next generation and new blood into the sport. Whilst global recognition and off-track/online betting would be an amazing achievement and peak for the sport, I would prefer to concentrate on back to basics, rebuild the sport after the last few years and</p>	Helen Langford

Review how club funds will be used to improve and benefit the sport, and in turn the members. I am willing to put myself forward and continue to work with and for the licence holders and the sport of harness racing if the members want me to.</p>
