Primary course intervals (horses not previously vaccinated):

Primary course intervals are only required for horses that have not yet been administered a primary course or are required to re-start a new primary course. An initial primary course of three vaccinations must be given (V1, V2 and V3); the second vaccination (V2) must now be

administered within 21-60 days of the first vaccination.

Horses must not attend any official BHRC fixture/venue until 7 days after the second vaccination of the primary course.

Vaccine 3 (V3) must then be administered within 120-180 days of the administration of the second vaccination (V2). If the matter is one that the Track Steward/s, or a BHRC Director/s, or Regional/Deputy Regional Steward/s, has brought to their attention then they must ensure that they have cause to investigate the matter and what rules apply to the incident.

On convening a Steward's Enquiry the Chief Steward shall act as chairperson with the Regional Steward/Deputy Regional Steward/Director in attendance. The person acting as

Any persons suspected of a breach of the BHRC rules must be informed of the rule applicable and the nature of the offence for which they may be questioned. [A copy of the BHRC rulebook shall be available to all parties during an enquiry].

The panel shall consider the statements and any evidence submitted and must make a decision as to whether they are guilty of a breach of the BHRC rules or not [this must be a clear decision either guilty or not guilty]. The decision made can be that of all of the panel or if they cannot agree, then the decision of the majority shall be the decision made.

On reaching a decision then the persons concerned shall be called back to hear the decision of the track stewards, should any person be found guilty of breaking the BHRC rules then the chairperson shall inform them of the penalty that may be imposed.

The panel will then be asked to consider what penalties shall be imposed in accordance with the penalties laid down in the BHRC rulebook The chairperson should then inform the parties of any penalties applied, also he should inform the parties of their rights as to any appeal they may or not be entitled to make and how to proceed should they wish to.
