RACE 2:	Accident:	Y	N	Stewards Enq:	Y	N	Ref No:		Integrity Test:	Y	N	Ref No:	
<p>The stewards called for an enquiry due to possible interference around the first bend when OAKWOOD SPUR (RYAN INGLIS) was pulling in front of HAWTHORNS DREAM (WILLIAM GREENHORN). Hawthorns Dream broke and subsequently had to be pulled up, the stewards reviewed the footage and came to the conclusion that Hawthorns Dream was already off stride before Oakwood Spur had pulled in, they were happy no offences had been committed and gave the all clear.</p>													

RACE 3:	Accident:	Y	N	Stewards Enq:	Y	N	Ref No:		Integrity Test:	Y	N	Ref No:	
<p>The started called a false start along way before the start as on the approach to the start behind the gate I PREDICT A RIOT &amp; SOME FANTASY had become hooked up, they did free themselves before the start but to give people the best chances they started in their same positions.</p> <p>The stewards reviewed the footage to see if GDS THUNDER had left the track when he jinked before the finishing line, the video footage showed clearly the horse had stayed on the track but didn't reveal the reason for it when he was clear of the eventual winner PROFESSOR G.</p>													

RACE 4:	Accident:	Y	N	Stewards Enq:	Y	N	Ref No:		Integrity Test:	Y	N	Ref No:	
<p>Driving change – Springhill Glory now driven by RICHARD HAYTHORNTHWAITE</p> <p>The starter admitted to the chief steward that he had made a mistake in letting the race start, he was concentrating on the horse on the outside of the gate which was at one point past it and was then touching the outside, concerned about harness getting stuck onto the gate or the horse going past the gate, the starter hadn't noticed KICK UP THE DUST making a break drawn 1. When the galloping horse has been seen the starter thought about calling a no start but then saw a marker in which he thought was the start and couldn't be sure if the horse had galloped before the start of the race. On reviewing the footage it was clear that it was before the start. The starter then went and apologised to the connections of the horse that was most affected by the horse that had galloped.</p>
